5.7.4 At any time during the duration of the agreement/contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless of whether the member of Contractor’s staff passes or fails the background investigation.

If a member of Contractor’s staff does not pass the background investigation, County may request that the member of Contractor’s staff be removed immediately from performing services under the Contract. Contractor shall comply with County’s request at any time during the term of the Contract. County will not provide to Contractor or to Contractor’s staff any information obtained through the County’s background investigation.

7.5.2 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor’s staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.
7.5.3 Disqualification of any member of Contractor’s staff pursuant to this Paragraph 7.5 shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

Any legal defense pursuant to contractor’s indemnification obligations under this Paragraph 7.6 shall be conducted by contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County’s prior written approval.

8.2.1 The contractor shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.

8.2.2 The contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. 8.2.3 Shareholders, partners, members, or other equity holders of contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.

8.2.4 Any assumption, assignment, delegation, or takeover of any of the contractor’s duties, responsibilities, obligations, or
performance of same by any person or entity other than the contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County’s express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against contractor as it could pursue in the event of default by contractor.

8.3 Authorization Warranty

8.3.1 The contractor represents and warrants that the person executing this Contract for the contractor is an authorized agent who has actual authority to bind the contractor to each and every term, condition, and obligation of this Contract and that all requirements of the contractor have been fulfilled to provide such actual authority.

8.4.1 In the event that the County’s Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the contractor under this Contract shall also be reduced correspondingly. The County’s notice to the contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board’s approval of such actions. Except as set forth in the preceding sentence, the contractor shall continue to provide all of the services set forth in this Contract.

regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to contractor’s indemnification obligations under Paragraph 8.6 (Compliance with Applicable Law) shall be conducted by contractor and performed by counsel selected by contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County’s prior written approval.

8.7 Compliance with Civil Rights Laws

8.7.1 The contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The contractor shall comply with Exhibit D - Contractor’s EEO Certification.

8.8 Compliance with the County’s Jury Service Program

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy.
1. Unless the contractor has demonstrated to the County’s satisfaction either that the contractor is not a “contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the contractor shall have and adhere to a written policy that provides that its Employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the Employee’s regular pay the fees received for jury service.

2. For purposes of this paragraph, “contractor” means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars ($50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. “Employee” means any California resident who is a full-time employee of the contractor. “Full-time” means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this paragraph. The provisions of this paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If the contractor is not required to comply with the Jury Service Program when the Contract commences, the contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the contractor shall immediately notify the County if the contractor at any time either comes within the Jury Service Program’s definition of
“contractor” or if the contractor no longer qualifies for an exception to the Jury Service Program. In either event, the contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the contractor demonstrate, to the County’s satisfaction that the contractor either continues to remain outside of the Jury Service Program’s definition of “contractor” and/or that the contractor continues to qualify for an exception to the Program.

4. Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.

8.9.2 The contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The contractor warrants that it is not now aware of any facts that create a conflict of interest. If the contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the
provisions of this paragraph shall be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoff or Re-Employment List

8.10.1 Should the contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN-GROW Participants

8.11.1 Should the contractor require additional or replacement personnel after the effective date of this Contract, the contractor shall give consideration for any such employment openings to participants in the County’s Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the contractor’s minimum qualifications for the open position. For this purpose, consideration shall mean that the contractor will interview qualified candidates. The County will refer GAIN-GROW participants by job category to the contractor. Contractors shall report all job openings with job requirements to: GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN/GROW job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible contractors.
8.12.2 Chapter 2.202 of the County Code

The contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the contractor on this or other contracts which indicates that the contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the contractor may have with the County.

8.12.3 Non-responsible contractor

The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the contractor’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that the contractor may be subject to debarment, the Department will notify the contractor in writing of the evidence which is the basis for the proposed debarment and will advise the contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or the contractor’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board
shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If a contractor has been debarred for a period longer than five (5) years, that contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At
the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.13 **Contractor’s Acknowledgement of County’s Commitment to Safely Surrendered Baby Law**

8.13.1 The contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The contractor understands that it is the County’s policy to encourage all County contractors to voluntarily post the County’s “Safely Surrendered Baby Law” poster, in Exhibit I, in a prominent position at the contractor’s place of business. The contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor’s place of business. Information and posters for printing are available at [www.babysafela.org](http://www.babysafela.org).

8.14 **Contractor’s Warranty of Adherence to County’s Child Support Compliance Program**

8.14.1 The contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal
support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County’s Child Support Compliance Program (County Code Chapter 2.200) and without limiting the contractor’s duty under this Contract to comply with all applicable provisions of law, the contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 **County’s Quality Assurance Plan**

The County or its agent(s) will monitor the contractor’s performance under this Contract on not less than an annual basis. Such monitoring will include assessing the contractor’s compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 **Damage to County Facilities, Buildings or Grounds**

8.16.1 The contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the contractor or employees or agents of the contractor. Such repairs shall be made immediately after the contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

8.16.2 If the contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by the contractor by cash payment upon demand.
8.17 Employment Eligibility Verification

8.17.1 The contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Facsimile Representations

The County and the contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of “original” versions of such documents.

8.19 Fair Labor Standards

8.19.1 The contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys’ fees arising under any wage and hour law, including, but not limited to, the
Federal Fair Labor Standards Act, for work performed by the contractor’s employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as “force majeure events”).

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both contractor and such subcontractor, and without any fault or negligence of either of them. In such case, contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit contractor to meet the required performance schedule. As used in this subparagraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

8.20.3 In the event contractor's failure to perform arises out of a force majeure event, contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.
8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the contractor.

8.22.3 The contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the contractor and not employees of the County. The contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the contractor pursuant to this Contract.

8.22.4 The contractor shall adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.23 Indemnification

8.23.1 The contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

If you need assistance with a lease, construction or other specialized contract or agreement, please refer to the Insurance Manual or contact the CEO Risk Management Branch – Risk Transfer Unit/Insurance Compliance staff for specialized provisions and further assistance. Please do not request that contractors send certificates to CEO Risk Management.

Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

8.24.2.1 Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Contract.

8.24.2.2 Renewal Certificates shall be provided to County not less than ten (10) days prior to contractor’s policy expiration dates. The County reserves the right to obtain complete, certified copies of any required contractor and/or sub-contractor insurance policies at any time.

8.24.2.3 Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and

Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars ($50,000), and list any County required endorsement forms.

8.24.2.4 Neither the County’s failure to obtain, nor the County’s receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

8.24.2.5 Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles
Contracting Department Name, Division/Section

Attention: Name and Title of Department Contact

8.24.2.6 Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to contractor. Contractor also shall promptly notify County of any third party claim or suit filed against contractor or any of its subcontractors which arises from or relates to this Contract and could result in the filing of a claim or lawsuit against contractor and/or County.
8.24.3 Additional Insured Status and Scope of Coverage

8.43.1.2 Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or

8.43.1.3 Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The contractor shall continue the performance of
this Contract to the extent not terminated under the provisions of this paragraph.

8.43.3 Except with respect to defaults of any subcontractor, the contractor shall not be liable for any such excess costs of the type identified in Paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the contractor and subcontractor, and without the fault or negligence of either of them, the contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

8.43.5 The rights and remedies of the County provided in this Paragraph 8.43 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 Termination for Improper Consideration

8.44.1 The County may, by written notice to the contractor, immediately terminate the right of the contractor to proceed under this Contract if it is found that consideration, in any
form, was offered or given by the contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the contractor’s performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the contractor as it could pursue in the event of default by the contractor.

8.44.2 The contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.45 Termination for Insolvency

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

8.45.1.1 Insolvency of the contractor. The contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the contractor is insolvent within the meaning of the Federal Bankruptcy Code;

8.45.1.2 The filing of a voluntary or involuntary petition regarding the contractor under the Federal Bankruptcy Code;

8.45.1.3 The appointment of a Receiver or Trustee for the contractor; or

8.45.1.4 The execution by the contractor of a general assignment for the benefit of creditors.
8.45.2 The rights and remedies of the County provided in this Paragraph 8.45 (Termination for Insolvency) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 Termination for Non-Adherence of County Lobbyist Ordinance

8.46.1 The contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the contractor, shall fully comply with the County’s Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the contractor or any County Lobbyist or County Lobbying firm retained by the contractor to fully comply with the County’s Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 Termination for Non-Appropriation of Funds

8.47.1 Notwithstanding any other provision of this Contract, the County shall not be obligated for the contractor’s performance hereunder or by any provision of this Contract during any of the County’s future fiscal years unless and until the County’s Board of Supervisors appropriates funds for this Contract in the County’s Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 Validity

8.48.1 If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 Waiver

8.49.1 No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and
remedies set forth in this paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 Warranty of Compliance with County’s Defaulted Property Tax Reduction Program

8.51.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless contractor qualifies for an exemption or exclusion, contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.52 Termination for Breach of Warranty to Maintain Compliance with County’s Defaulted Property Tax Reduction Program

8.52.1 Failure of contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County’s Defaulted Property Tax Reduction Program” shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate
this contract and/or pursue debarment of contractor, pursuant to County Code Chapter 2.206.

8.53 Time Off for Voting

8.53.1 The contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

8.54 Compliance with County’s Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor’s staff is convicted of a human trafficking offense, the County shall require that the Contractor or member of Contractor’s staff be removed immediately from performing services under the Contract. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor’s staff pursuant to this paragraph shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

8.55 Integrated Pest Management Program Compliance

(This provision is required in Contracts for services which include the outdoor use of pesticides (i.e. herbicides, insecticides, fungicides, etc.) or fertilizers on County owned or maintained property)

8.55.1 Contractor acknowledges that County has established an Integrated Pest Management Program (the Program) which aims to reduce or eliminate pollutants moved into surface water through storm water management systems and facilities. Contractor certifies compliance on Exhibit 22 (Integrated Pest Management Program Compliance Certification) in Appendix D (Required Forms), that contractor
has reviewed, understands, and will adhere to the County’s IPM Program requirements as set forth in this Paragraph 8.55 (Integrated Pest Management Program Compliance) and at: www.lacountyipm.org

8.55.2 Contractor must ensure and certify that its employees who apply pesticides on County owned or maintained property are appropriately trained. The training, which must be conducted on an annual basis, but no later than June 30th of each calendar year, must meet the County’s minimum requirements under the Program.

8.55.3 Employee training may be self-certified by Contractors, provided the County has the ability to audit the training, and must include, at a minimum, the following:

- The potential for pesticide-related surface water toxicity;
- Proper use, handling, and disposal of pesticides;
- Least toxic methods of pest prevention and control, including IPM; and
- Reduction of pesticide use.

8.55.4 All users of commercial pesticides are required by State law to provide a monthly pesticide report to the Los Angeles County Department of Agricultural Commissioner/Weights and Measures (ACWM). In addition to the mandatory monthly reporting requirement, Contractor shall provide to the Department, with a copy to the ACWM, an annual summary of the pesticides used outdoors on County-owned or maintained property by Fiscal Year (July 1 to June 30). For each pesticide, the summary shall include all of the following:

- Product trade name
- Active ingredient(s)
- EPA Registration Number
- Total amount used

The units reported shall be appropriate to the product (gallons, ounces, pounds, etc.).
8.56 **Compliance with Fair Chance Employment Practices**

Contractor shall comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History. Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

8.57 **Compliance with the County Policy of Equity**

The contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (https://ceop.lacounty.gov/). The contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the contractor, its employees or its subcontractors to uphold the County’s expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the contractor to termination of contractual agreements as well as civil liability.

8.58 **Prohibition from Participation in Future Solicitation(s)**

Neither a Contractor, subsidiary of nor Subcontractor to Contractor, nor a Proposer shall participate, in any way, in any future solicitations conducted by County that includes, or is based upon any services rendered by the Contractor/Proposer under this Agreement. As this prohibition applies to Subcontractors of the Contractor, the Contractor shall notify any Subcontractors providing services under this Agreement of this prohibition before they commence work. Any response to a solicitation submitted by the Contractor/Proposer, or by any subsidiary of or Subcontractor to the Contractor/Proposer in violation of this provision shall be rejected by County. This provision shall survive the expiration, or other termination of this Agreement.

9 **UNIQUE TERMS AND CONDITIONS**

9.1 **Compliance with the County’s Living Wage Program**

9.1.1 Include only the following subparagraphs that are applicable to the contract.
Living Wage Program

This Contract is subject to the provisions of the County’s ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Exhibit J (Living Wage Program Ordinance) and incorporated by reference into and made a part of this Contract.

9.1.2 Payment of Living Wage Rates

9.1.2.1 Unless the contractor has demonstrated to the County’s satisfaction either that the contractor is not an “Employer” as defined under the Program (Section 2.201.020 of the County Code) or that the contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the contractor shall pay its employees no less than the applicable hourly living wage rate, as set forth in Exhibit K (Living Wage Rate Annual Adjustment), for the employees’ services provided to the County, including, without limitation, "Travel Time" as defined below Paragraph 9.1.2.5 under the Contract.

9.1.2.2 For purposes of this paragraph, “contractor” includes any subcontractor engaged by the contractor to perform services for the County under the Contract. If the contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this paragraph. The provisions of this paragraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. “Employee” means any individual, who is an employee of the contractor under the laws of California, and who is providing full-time or part-time services to the contractor, which are provided to the County under the Contract. “Full-time” means a minimum of forty (40) hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than thirty-five (35) hours worked
per week will not, in any event, be considered full-time.

9.1.2.3 If the contractor is required to pay a living wage when the Contract commences, the contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

9.1.2.4 If the contractor is not required to pay a living wage when the Contract commences, the contractor shall have a continuing obligation to review the applicability of its “exemption status” from the living wage requirement. The contractor shall immediately notify the County if the contractor at any time either comes within the Living Wage Program’s definition of “Employer” or if the contractor no longer qualifies for the exception to the Living Wage Program. In either event, the contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the contractor demonstrate to the County’s satisfaction that the contractor either continues to remain outside of the Living Wage Program’s definition of “Employer” and/or that the contractor continues to qualify for the exception to the Living Wage Program. Unless the contractor satisfies this requirement within the time frame permitted by the County, the contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

9.1.2.5 For purposes of the contractor’s obligation to pay its employees the applicable hourly living wage rate under this Contract, “Travel Time” shall have the following two meanings, as applicable: 1) With respect to travel by an employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an employee physically travels to or from a County facility if the contractor pays the employee any amount for that time or if California law
requires the contractor to pay the employee any amount for that time; and 2) With respect to travel by an employee between County facilities that are subject to two different contracts between the contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an employee physically travels to or from, or between such County facilities if the contractor pays the employee any amount for that time or if California law requires the contractor to pay the employee any amount for that time.

9.1.3 Contractor’s Submittal of Certified Monitoring Reports

The contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the contractor’s employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked and the hourly wage rate paid, for each of its employees. All certified monitoring reports shall be submitted on forms provided in Exhibit L (Payroll Statement of Compliance), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the contractor shall promptly provide such information. The contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

9.1.4 Contractor’s Ongoing Obligation to Report Labor Law-Payroll Violations and Claims

During the term of the Contract, if the contractor becomes aware of any labor law-payroll violation or any complaint, investigation or proceeding (“claim”) concerning any alleged labor law-payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the contractor shall immediately inform the County of any pertinent facts known by the contractor regarding same. This disclosure obligation is not limited to any labor law-payroll violation or claim
arising out of the contractor’s contract with the County, but instead applies to any labor law-payroll violation or claim arising out of any of the contractor’s operations in California.

9.1.5 County Auditing of Contractor Records

Upon a minimum of twenty-four (24) hours’ written notice, the County may audit, at the contractor’s place of business, any of the contractor’s records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The contractor is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

9.1.6 Notifications to Employees

The contractor shall place County-provided living wage posters at each of the contractor’s places of business and locations where the contractor’s employees are working. The contractor shall also distribute County-provided notices to each of its employees at least once per year. The contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of contractor’s employees.

9.1.7 Enforcement and Remedies

If the contractor fails to comply with the requirements of this paragraph, the County shall have the rights and remedies described in this paragraph in addition to any rights and remedies provided by law or equity.

1. Remedies for Submission of Late or Incomplete Certified Monitoring Reports. If the contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

   a. Withholding of Payment. If the contractor fails to submit accurate, complete, timely and properly
certified monitoring reports, the County may withhold from payment to the contractor up to the full amount of any invoice that would otherwise be due, until the contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that the contractor’s failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the contractor liquidated damages in the amount of one hundred dollars ($100) per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the contractor.

c. Termination. The contractor’s continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

2. Remedies for Payment of Less Than the Required Living Wage. If the contractor fails to pay any employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:
a. **Withholding Payment.** If the contractor fails to pay one or more of its employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the contractor the aggregate difference between the living wage amounts the contractor was required to pay its employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. **Liquidated Damages.** It is mutually understood and agreed that the contractor’s failure to pay any of its employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the contractor’s breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the contractor liquidated damages of fifty dollars ($50) per employee per day for each and every instance of an underpayment to an employee. The County may deduct any assessed liquidated damages from any payments otherwise due the contractor.

c. **Termination.** The contractor’s continued failure to pay any of its employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

3. **Debarment.** In the event the contractor breaches a requirement of this paragraph, the County may, in its sole discretion, bar the contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202,
Determinations of contractor Non-Responsibility and contractor Debarment.

9.1.8 Use of Full-Time Employees

The contractor shall assign and use full-time employees of the contractor to provide services under the Contract unless the contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The contractor submitted with its proposal a full-time employee staffing plan. If the contractor changes its full-time employee staffing plan, the contractor shall immediately provide a copy of the new staffing plan to the County.

9.1.9 Contractor Retaliation Prohibited

The contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this subparagraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

9.1.10 Contractor Standards

During the term of the Contract, the contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the contractor shall demonstrate to the satisfaction of the County that the contractor is complying with this requirement.

9.1.11 Employee Retention Rights

Paragraph 9.1.11 applies only if the contract involves the provision of services that were previously provided by a contractor under a predecessor Proposition A contract or a
predecessor cafeteria services contract, which predecessor contract was terminated by the County prior to its expiration.

1. The contractor shall offer employment to all retention employees who are qualified for such jobs. A “retention employee” is an individual:

   a. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and
   b. Who has been employed by a contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract with the County for at least six (6) months prior to the date of this new Contract, which predecessor contract was terminated by the County prior to its expiration; and
   c. Who is or will be terminated from his or her employment as a result of the County entering into this new contract.

2. The contractor is not required to hire a retention employee who:

   a. Has been convicted of a crime related to the job or his or her performance; or
   b. Fails to meet any other County requirement for employees of a contractor.

3. The contractor shall not terminate a retention employee for the first ninety (90) days of employment under the contract, except for cause. Thereafter, the contractor may retain a retention employee on the same terms and conditions as the contractor’s other employees.

9.1.12 Neutrality in Labor Relations

The contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the contractor’s employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.
9.2 Health Insurance Portability and Accountability Act of 1996 (HIPAA)

There are 3 options for HIPAA language:

Option 1 - Covered Entity – contractor provides direct patient care and by definition must not only have access to patient medical records but also provides input into the content of the patient’s medical record.

Option 2 - Business Associate – contractor provides services to a HIPAA-impacted department and in the course of the provision of Agreement services on behalf of the County, creates, has access to, transmits, or maintains patient medical records/patient information, and in most cases, creating, having access to, transmitting or maintaining patient medical records/patient information is necessary to perform the services.

Option 3 - Inadvertent Access – contractor is neither a Covered Entity nor Business Associate. Contractor or its employees are not intended to have any access to patient medical records/patient information, but in the course of the performance of Agreement services, may have inadvertent access to such records.

NOTE: HIPAA impacted Departments include: Auditor-Controller, Chief Executive Office, Chief Information Office, Health Services, Human Resources, Mental Health, Public Health, Internal Services, Probation, Office of County Counsel, and Treasure and Tax Collector. These Departments should work closely with County Counsel to determine whether contractor is a Covered Entity or a Business Associate and determine appropriate language.

[Option 1 – Covered Entity - The following language should be included when contractor provides direct patient care and by definition must not only have access to patient medical records but also provides input into the content of the patient’s medical record.]

9.2.1 The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and its implementing regulations. Contractor understands and agrees that, as a provider of medical treatment services, it is a “covered entity” under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients’ medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of its staff and the establishment of proper procedures for the release of such
information, including the use of appropriate consents and authorizations specified under HIPAA.

9.2.2 The parties acknowledge their separate and independent obligations with respect to HIPAA and that such obligations relate to transactions and code sets, privacy, and security. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on contractor’s behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to contractor’s obligations under HIPAA but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

9.2.3 Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of the HIPAA laws and implementing regulations related to transactions and code sets, privacy, and security.

9.2.4 Each party further agrees that, should it fail to comply with its obligations under HIPAA, it shall indemnify and hold harmless the other party (including the other party’s officers, employees, and agents), for damages to the other party that are attributable to such failure.

**OPTION 2 - Business Associate Language:**

9.2.1 The County is subject to the Administrative Simplification requirements and prohibitions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 (HIPAA), and regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (collectively, the “HIPAA Rules”). Under this Agreement, the Contractor provides services to the County and the Contractor creates, has access to, receives, maintains, or transmits Protected Health Information as defined in Exhibit N in order to provide those services. The County and the Contractor therefore agree to the terms of Exhibit N, “Business Associate Under Health Insurance Portability and Accountability Act of 1996 ("HIPAA")
OPTION 3 - Inadvertent Access Language:

(Use the following language when the Contractor is neither a Covered Entity nor Business Associate, however, may have “inadvertent access” to HIPAA information)

9.2.1 Contractor expressly acknowledges and agrees that the provision of services under this Agreement does not require or permit access by Contractor or any of its officers, employees, or agents, to any patient medical records/patient information. Accordingly, Contractor shall instruct its officers, employees, and agents that they are not to pursue, or gain access to, patient medical records/patient information for any reason whatsoever.

9.2.2 Notwithstanding the forgoing, the parties acknowledge that in the course of the provision of services hereunder, Contractor or its officers, employees, and agents, may have inadvertent access to patient medical records/patient information. Contractor understands and agrees that neither it nor its officers, employees, or agents, are to take advantage of such access for any purpose whatsoever.

9.2.3 Additionally, in the event of such inadvertent access, Contractor and its officers, employees, and agents, shall maintain the confidentiality of any information obtained and shall notify Director that such access has been gained immediately, or upon the first reasonable opportunity to do so. In the event of any access, whether inadvertent or intentional, Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all liability, including but not limited to, actions, claims, costs, demands, expenses, and fees (including attorney and expert witness fees) arising from or connected with Contractor's or its officers', employees', or agents', access to patient medical records/patient information. Contractor agrees to provide appropriate training to its employees regarding their obligations as described hereinabove.

9.3 Ownership of Materials, Software and Copyright

9.3.1 County shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through the Contractor's work pursuant to this Contract. The Contractor, for valuable consideration herein provided, shall execute all documents necessary to assign and transfer to, and vest in the County
all of the Contractor’s right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to the Contractor’s work under this Contract.

9.3.2 During the term of this Contract and for five (5) years thereafter, the Contractor shall maintain and provide security for all of the Contractor’s working papers prepared under this Contract. Paragraph 9.5 Contractor's Charitable Activities Compliance is required for all Social Services Departments. Additionally, if the services being solicited historically receive responses from Nonprofit Agencies, this provision should also be included.

9.5 Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions
Certification, Exhibit O, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)
